

Open Space

Our College has adequate open space available for students. It is used for organization of outdoor sports and various programme. Open space has big central stage.

Mentoring Facilities

Our Principal's office is situated on first floor. It is located at a central place from where the principal monitors daily activities as well as emerging issues.

Waiting Room

It is situated at first floor in-front of the principal's office. It is a place where people sit or stand and wait for their appointment to meet either principal or administrative officer.

Administrative Office

It is situated at the first floor of the College beside Principal's office. Administrative office has permanent office administrator and various lockers where records of College routine work and financial records and billings are kept.

Staff Room

Staff room is the place in which educators spend their majority of non-teaching time. Our college staff room is situated at the ground floor. Our staff-room is a place which develops the feeling of team player among the staff members. It has all the basic necessities available for the staff.

Prayer Room (Mosque)

The prayer room (mosque) is situated at the ground floor besides the computer centre. It is used by the staff and students to de-stress whenever they find a free time slot in the course of their busy schedule and perform the prayers.

Ladies Common Room
